

STRATEGIC GROWTH — SERVICE AGREEMENT

(With Modular Attachments A, B, and C)

Client: _____

Provider: Strategic Growth (Daniel Ortiz)

Effective Date: _____

1. Overview

This Service Agreement ("Agreement") governs the relationship between Strategic Growth ("Provider") and the Client named above ("Client"). Provider will deliver website design, deployment, hosting, optimization, and optional AI-powered enhancements ("Growth Infrastructure") as outlined in the selected attachments.

Attachments selected by the Client become part of this Agreement and define the specific services to be delivered.

2. Service Structure

Client may select any combination of the following service modules:

- **Attachment A — Website Build (One-Time Project)**
- **Attachment B — Infrastructure Management (Monthly Service)**
- **Attachment C — Optimization & AI Enhancements (Optional Add-Ons)**

Only the attachments selected and signed by the Client are active.

3. Fees & Payment Terms

3.1 Setup Fees

Setup Fees for selected modules are due upon signing and are non-refundable.

3.2 Monthly Fees

Monthly Fees are billed automatically in advance and require an active payment method on file.

3.3 Late or Failed Payments

Provider may pause services, including hosting and website availability, until payment is current.

3.4 Additional Work

Any work outside the selected modules requires a separate written agreement or Change Order.

4. Hosting & Service Dependency

Hosting, updates, optimizations, and AI features require an active subscription under Attachment B or C. Professional hosting and deployment infrastructure is managed under the Client's primary domain. If the subscription ends, hosting and proprietary systems will be discontinued.

5. Ownership & Intellectual Property

Client Owns:

- All content they provide (text, images, branding)
- Their domain name

Provider Owns:

- Underlying code structures
- Templates and design systems
- Automation workflows
- AI/LLM logic and integrations
- **AegisMind architecture and related systems**

Client receives a non-exclusive license to use the website during active service. Upon termination, Provider will supply a static export (text + images only) upon request.

6. Client Responsibilities

Client agrees to:

- Provide required content, branding, and credentials
- Respond to Provider in a timely manner
- Approve or request revisions promptly
- Maintain accurate business information

Delays caused by Client may extend timelines.

7. No Guarantee of Results

Provider does not guarantee specific business outcomes, revenue increases, or performance metrics. Provider delivers infrastructure and optimization, not guaranteed results.

8. Security, Backups & Third-Party Services

Provider implements standard security practices but cannot guarantee absolute security. Provider is not liable for issues caused by third-party platforms (hosting providers, registrars, APIs, etc.).

Rollback Boundary

In the event of a failure or security incident, Provider will restore the website to the most recent available backup. Advanced recovery is billed separately.

9. Term & Termination

This Agreement is month-to-month unless otherwise stated in the selected attachments. Either party may terminate with 30 days' written notice.

Upon termination:

- Client retains domain and provided content
 - Provider will supply a static export upon request
 - Access to hosting, proprietary systems, and AI features will be discontinued
-

10. Limitation of Liability

Provider is not liable for indirect damages including lost revenue, business interruption, or data loss. Total liability is limited to fees paid in the previous 30 days.

11. Acceptance
